This is Costa neoRomantica. Here, in detail, we present her facilities, equipment, cabins and the areas dedicated to the various activities, plus the main technical information and a plan of the ship.

The images show Costa neoRomantica empty, to set off her features and architectural lines to best effect.

ITALIA MAGICA ATRIUM

WELCOME ON BOARD COSTA neoROMANTICA

a unique cruising experience

Created for exceptional guests, neoRomantica is the gem of the Costa fleet. The restyled Costa Romantica has emerged with a new style and fresh lines, with myriad panoramic balconies and sophisticated furnishings. More intimate than the grand Costa ships, she welcomes guests into an ambience worthy of a top luxury hotel, embellished with the most refined materials and the most innovative lines. First to catch the eye is the stupendous **Central Atrium**, whose designer chandelier lights up in different colours, lending fresh zest to the mood. Her class and size, well-suited also to smaller ports, make her ideal for Costa neoCollection cruises. Choose Costa neoRomantica and set sail for new horizons in luxury.

Costa neoRomantica's exclusive special touches exceed even our guests' expectations. Dine when you please at the **Giardino restaurant**; enjoy the wealth of amenities in all categories of cabin; savour the fleet's most spectacular **Samsara Spa** and much more besides, like the refined gourmet experiences awaiting in the **Verona wine bar**, the chic **Wine & Cheese bar**, and the **Coffee & Chocolate lounge**. The Costa neoRomantica pools have an elegance of their own, too, with private gazebos and bar service, ideal for an al fresco aperitif.

Costa *neo*Collection

MORE RELAXED,
MORE FLEXIBLE,
MORE INTIMATE,
MORE HOLIDAY.

A COSTA *neo*COLLECTION
CRUISE
IS MUCH MORE
THAN A CRUISE.

Costa neoRomantica, dedicated to **neoCollection** cruises, is ideal for those seeking a different way to travel. A ship on a human scale, she can reach the ports others cannot. With her welcoming atmosphere, exceptional amenities, and an even more thoughtful, attentive service, she is a proper luxury hotel on the waves, where guests have more opportunities to enjoy the company of their fellow travellers in light-hearted, relaxing moments throughout the voyage.

“Slow” cruising

Long stop-offs and overnight stays in port offer an unhurried way to experience every place we visit, even by night.

Brand-new destinations

Charming places of great cultural and natural interest out of larger ships' reach.

Experiences on terra firma

Land excursions abound, in groups of 25 people at the most, to appreciate the local natural and cultural delights.

Concierge

An on-board concierge will make every moment of your voyage unique, with ideas and tips just for you.

Dine when you please

Guests can have dinner in the restaurant or buffet at a time of their own choosing.

Genuine dining pleasure

Gourmet menus with regional recipes specially created with the University of Gastronomic Sciences in Pollenzo, Piedmont, to accompany selected wines by the glass.

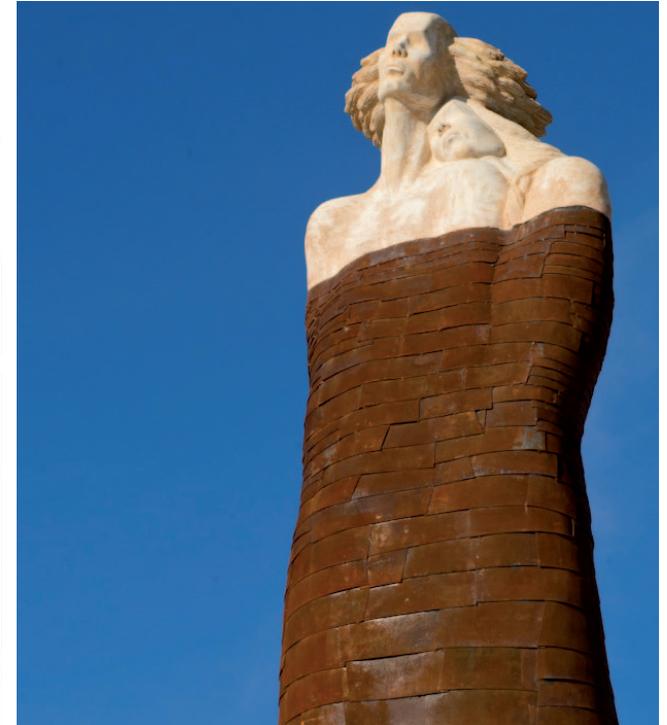

AN ARTISTIC JOURNEY

Sail surrounded by beauty in all its nuances

Costa neoRomantica is a work of art in her own right. The interiors were designed by Swedish architects Tillberg Design, which has over 100 yacht and luxury-ship interiors to its credit, and by Syntax, a London studio specialising in high-end hotel and wellness-centre design. The ship's main spaces are embellished by original works and reproductions from great contemporary artists, creating a unifying theme of sophistication and modernity, to lend Costa neoRomantica a truly unique style.

A new concept in entertainment

Costa neoRomantica has been conceived as a grand stage hosting a great spectacle every evening. The ship buzzes all over with entertainment, with professional performers in various venues – like the **Piazza Italia Grand Bar**, with its gilded velvets and iridescent ceilings, the perfect place to listen to live music and try out your dance-floor moves, or the sophisticated **Vienna Cabaret**, with performances from pianists and bands amid the marble and dark wood. And if you fancy a flutter, you can try your luck at the **Excelsior Casino**, with its red velvets and Swarovski crystals.
