Welcome Atrium

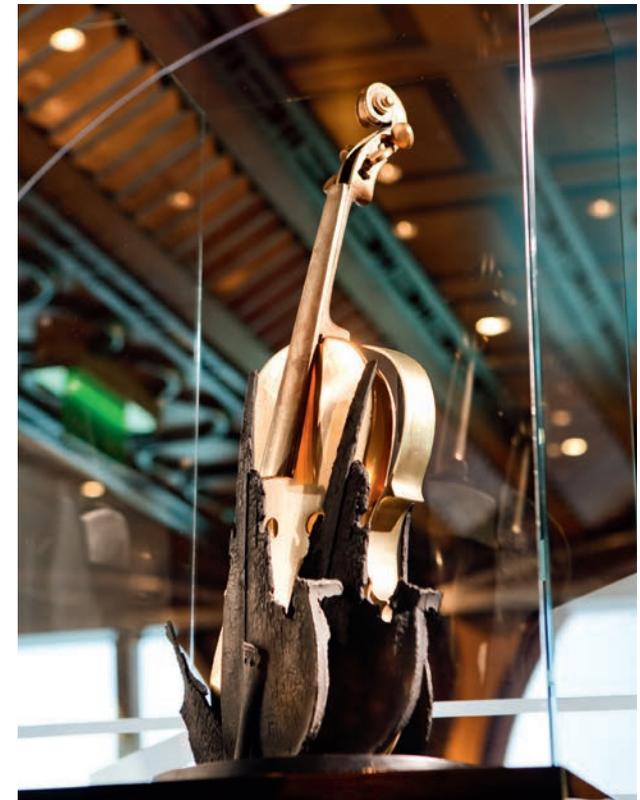

Welcome on board Costa Pacifica

A symphony of emotion at sea

Costa Pacifica is a compilation of the most beautiful spaces of the Costa ships: their sounds brought together in a harmonious chorus of perfection. It is dedicated to music, welcoming its Guests into the different harmonies of its spaces; every deck has its own distinguishing melody and every hall resounds with its own symphony. Starting with the spectacular **Welcome Atrium** with its panoramic lifts, where guests are welcomed by an original composition by Mauro Pagani, who has written and arranged all the music on board.

The compilation ranges from classical to modern, to accompany and highlight all the delights of the cruise.

Arman
Violini
Grand Bar Rhapsody

Costa Pacifica comes alive in its interior spaces, with its majestic and scintillating architecture, and on its outer decks where the retractable roof ensures that entertainment doesn't have to stop with the change in season. Every detail of this queen of the seas is in perfect harmony with the relaxation and wellbeing of your dream holiday: **five restaurants** with appetising and exquisite menus; **thirteen bars** serving the most exclusive cocktails, as well as chocolate, coffee and quality cigars; and a **Spa** overlooking the sea. The perfect elements for a splendid composition.

The melody of **art**.

Music and art are intertwined on the Costa Pacifica: there are more than 308 original works of art on board, and almost 6,000 prints that can be admired in the public areas and exclusive Suites. The theme of music is explored in a myriad of different ways, at once contemporary and classical, retelling its history, its various paths, and the great composers through the language of architecture, sculpture, painting and graphic art.
