Planetarium Atrium

Welcome on board Costa Victoria

Elegance and design on the waves

A ship where elegance reigns supreme, designed by the architect and designer Pierluigi Cerri, to welcome guests in a mood that is sophisticated and relaxed. Costa Victoria never ceases to amaze, as you will see the moment you step into the **Planetarium Atrium** with its panoramic lifts and shimmering reflections that take you up to the ship's top decks. The ship's unmistakable style combines symmetrical forms with understated furnishings and spectacular construction work. It is a panoramic and welcoming ship, perfect if you want to be seduced by the sea.

Gianfranco Pardi
Albero del Cielo
Planetarium Atrium

The decks on Costa Victoria all bear the names of the most wonderful classical operas: ***Nabucco, Bohème, Traviata, Manon, Carmen, Otello, Tosca, Norma, Rigoletto and Butterfly.*** Each deck has its own original features that will instantly capture the hearts of guests, such as the thrilling ***Concorde Plaza*** with tables spread out over several levels that look out over the glittering hall and dance floor, or the ***Panoramic Walkway*** outdoors where you can enjoy the ship in all its splendour sitting comfortably, perhaps for an aperitif, at the open-air ***Terrazza Café*** with its wonderful views over the sea.

The beauty of art

Every detail on board Costa Victoria is a delight, and it houses a collection of original works and splendid reproductions in all the public areas that will take guests on a journey through the world of art: pieces like "l'Albero del cielo" by Gianfranco Pardi, the steel sculpture that can be admired in the **Planetarium Atrium**, or Roberto Sambonet's mosaics that decorate the indoor pool. Besides these, various other art forms by the great contemporary names give rhythm to the whole ship.
